

FRONTIER
GLOBAL UNDERWRITING

Cyber for Financial Institutions

As a specialist Financial Institutions market, Frontier has a market leading reputation in the funds management industry. Via our cyber offering, we work with our brokers and clients to compliment the protection we already provide under our Investment Management Insurance product to provide affirmative cover for data breaches and resulting system & network restoration, business interruption, cyber extortion and regulatory and privacy liability.

Target

- Fund Managers/Financial Institutions – Primary Cover.

Client type

- We aim to write the primary cyber alongside the primary Investment Managers Insurance for select existing clients.

Capacity

- AUD5 million (or equivalent local currency).

Security

- Certain Underwriters at Lloyd's.

About Frontier

Frontier Global Underwriting is a specialist Financial Lines underwriting agency providing market leading risk transfer solutions to clients across the globe. Our business has been designed around our clients and brokers, with our global reach highlighting our commitment to the markets which we serve. With offices in London and Sydney, Frontier provides 24/7 365 days a year service to its client base. No longer are brokers and clients dictated by restricted market hours of operation, our underwriting team is here to serve no matter the time zone. Frontier is driven by a commitment to partner with clients and brokers like ourselves, those with an entrepreneurial spirit and a culture of excellence.

Financial strength

We are backed 100% by Travelers Syndicate 5000 at Lloyd's, part of the Travelers group. The Travelers Companies, Inc. is a leading provider of property liability insurance for motor, home, and business. The Travelers Companies, Inc. is one of the U.S.'s largest insurers with assets of around USD 104bn and nearly USD 30bn in revenue in 2018. Having one capacity provider means we can focus on what is truly important to our customers.

Claims

Our claims are handled by Travelers. The Travelers claims service protects what matters most to customers: their business, brand, and reputation. Through their industry expertise and experience across a wide range of industries, Travelers are there for their customers when they need them most, providing a flexible, proactive approach to claims. Travelers understands that a claim can have implications for customers' businesses that extend well beyond the cost of the claim. One of Travelers' key strengths is their team of highly skilled, in-house claims professionals with strong legal and technical knowledge, ready to work with customers to minimise the impact of any loss.
