

**FRONTIER**  
GLOBAL UNDERWRITING

## Commercial Directors & Officers Liability

Frontier has a team of **specialist D&O underwriters** who have provided risk transfer solutions in some of the most litigious jurisdictions globally. **We understand the risks** board members and companies face whether publicly listed or private and are committed to **providing the protection** required for businesses to flourish. Having **global experience** allows our team to assist and guide brokers and clients on exposures and how to mitigate them, via not only insurance products but **strong corporate governance**. Our team take pride in their knowledge of local business conditions, **cultures and general macroeconomic factors**. We know this because we have been there working with clients directly on the ground.

### Target

- Publicly listed companies
- Private companies
- Innovative market leading companies
- Side AB is preferred
- Side C considered selectively
- Primary and excess of loss

### Client type

- Companies with market capitalisations of USD5 billion (or equivalent currency) and below
- Strong management and board of directors with demonstrable strategies for long term viability

### Capacity

USD5 million (or equivalent local currency).

### Products

Frontier has designed and developed its own Primary and Excess of Loss policy wordings but will also consider broker and market wordings.

## About Frontier

Frontier Global Underwriting is a specialist Financial Lines underwriting agency providing market leading risk transfer solutions to clients across the globe. Our business has been designed around our clients and brokers, with our global reach highlighting our commitment to the markets which we serve. With offices in London and Sydney, Frontier provides 24/7 365 days a year service to its client base. No longer are brokers and clients dictated by restricted market hours of operation, our underwriting team is here to serve no matter the time zone. Frontier is driven by a commitment to partner with clients and brokers like ourselves, those with an entrepreneurial spirit and a culture of excellence.

## Financial strength

We are backed 100% by Travelers Syndicate 5000 at Lloyd's, part of the Travelers group. The Travelers Companies, Inc. is a leading provider of property liability insurance for motor, home, and business. The Travelers Companies, Inc. is one of the U.S.'s largest insurers with assets of around USD 104bn and nearly USD 30bn in revenue in 2018. Having one capacity provider means we can focus on what is truly important to our customers.

## Claims

Our claims are handled by Travelers. The Travelers claims service protects what matters most to customers: their business, brand, and reputation. Through their industry expertise and experience across a wide range of industries, Travelers are there for their customers when they need them most, providing a flexible, proactive approach to claims. Travelers understands that a claim can have implications for customers' businesses that extend well beyond the cost of the claim. One of Travelers' key strengths is their team of highly skilled, in-house claims professionals with strong legal and technical knowledge, ready to work with customers to minimise the impact of any loss.
