

FRONTIER
GLOBAL UNDERWRITING

Financial Institutions Professional Indemnity

Frontier underwrites **Professional Indemnity coverage** for a wide variety of Financial Institutions. The underwriting team at Frontier has expert knowledge of this sector gained through many years' experience in their relevant markets. **We have unrivalled technical expertise** and design tailor made solutions driven exclusively by client needs. This provides Frontier's clients the security they have the best possible protection and the ability to serve their own client base with the **highest levels** of professionalism. Premium risk solutions and service standards combined with top class security ensures **Frontier is the market of choice** for professional financial services providers globally.

Target

- Boutique wealth management companies
- Specialised financial advice firms (non-authorised representative model)
- Commercial banks
- Mutual banks and credit unions
- Stockbrokers (non-execution preferred)
- Finance companies
- Primary and excess of loss

Client type

- Broad appetite focusing on true professional services providers

Capacity

USD5 million (or equivalent local currency) with an option for one reinstatement.

Products

Frontier has designed and developed its own proprietary Financial Institutions Professional Indemnity form which is customisable to client needs as well as using standard broker and market forms.

About Frontier

Frontier Global Underwriting is a specialist Financial Lines underwriting agency providing market leading risk transfer solutions to clients across the globe. Our business has been designed around our clients and brokers, with our global reach highlighting our commitment to the markets which we serve. With offices in London and Sydney, Frontier provides 24/7 365 days a year service to its client base. No longer are brokers and clients dictated by restricted market hours of operation, our underwriting team is here to serve no matter the time zone. Frontier is driven by a commitment to partner with clients and brokers like ourselves, those with an entrepreneurial spirit and a culture of excellence.

Financial strength

We are backed 100% by Travelers Syndicate 5000 at Lloyd's, part of the Travelers group. The Travelers Companies, Inc. is a leading provider of property liability insurance for motor, home, and business. The Travelers Companies, Inc. is one of the U.S.'s largest insurers with assets of around USD 104bn and nearly USD 30bn in revenue in 2018. Having one capacity provider means we can focus on what is truly important to our customers.

Claims

Our claims are handled by Travelers. The Travelers claims service protects what matters most to customers: their business, brand, and reputation. Through their industry expertise and experience across a wide range of industries, Travelers are there for their customers when they need them most, providing a flexible, proactive approach to claims. Travelers understands that a claim can have implications for customers' businesses that extend well beyond the cost of the claim. One of Travelers' key strengths is their team of highly skilled, in-house claims professionals with strong legal and technical knowledge, ready to work with customers to minimise the impact of any loss.
