About Frontier

Frontier Global Underwriting is a specialist Financial Lines underwriting agency providing market leading risk transfer solutions to clients across the globe. Our business has been designed around our clients and brokers, with our global reach highlighting our commitment to the markets which we serve. With offices in London and Sydney, Frontier provides 24/7 365 days a year service to its client base. No longer are brokers and clients dictated by restricted market hours of operation, our underwriting team is here to serve no matter the time zone. Frontier is driven by a commitment to partner with clients and brokers like ourselves, those with an entrepreneurial spirit and a culture of excellence.

Financial strength

We are backed by a variety of market leading company markets and Lloyd's syndicates. We know that clients value security and stability and this is why we only partner with the best providers. We work extremely closely with all our capital partners to develop long term relationships with them. This enables us to offer the best possible solutions and service to our clients.

Claims

We know that claims service protects what matters most to our customers, their brand, business and reputation. Through industry expertise and experience across a wide range of products, we are there for our customers when they need us most. We understand that a claim can have implications for a customers' business that extend well beyond the cost of the claim and we are ready to work with customers to minimise the impact of any loss.
