## Kidnap, Ransom & Extortion (KRE)

Frontier's Kidnap, Ransom & Extortion (K&R) insurance provides critical protection for organisations and individuals exposed to the risk of kidnapping, extortion, or unlawful detention. Our cover is designed to minimize the financial and operational impact of these events while ensuring immediate access to world-class crisis response expertise. A key feature of our policy is priority access to our crisis response partner, SPS Global. SPS is a market leader in integrated security, medical and crisis management services, operating through a discreet and highly experienced global network. Their 24/7 Global Response Centre (GRC) provides continuous support, guiding clients through incidents with professionalism, confidentiality, and first-hand expertise in complex emergencies. Learn more about them at [SPS – About](#).

### Coverage includes:

- Ransom payments
- Legal liability
- Personal accident benefits
- Threat and disappearance
- Crisis response costs

### Who we protect

- From fast-growth corporates with overseas operations to established multinationals in sensitive or high-risk sectors, our K&R coverage is designed for organisations that face real world threats. We have an appetite for challenging industries, frontier markets, and higher exposure geographies where specialist cover and crisis expertise make the difference.

### Capacity

- Up to USD 25 million per insured event.

## About Frontier

Frontier Global Underwriting is a specialist Financial Lines underwriting agency providing market leading risk transfer solutions to clients across the globe. Our business has been designed around our clients and brokers, with our global reach highlighting our commitment to the markets which we serve. With offices in London and Sydney, Frontier provides 24/7 365 days a year service to its client base. No longer are brokers and clients dictated by restricted market hours of operation, our underwriting team is here to serve no matter the time zone. Frontier is driven by a commitment to partner with clients and brokers like ourselves, those with an entrepreneurial spirit and a culture of excellence.

## Financial strength

We are backed by a variety of market leading company markets and Lloyd's syndicates. We know that clients value security and stability and this is why we only partner with the best providers. We work extremely closely with all our capital partners to develop long term relationships with them. This enables us to offer the best possible solutions and service to our clients.

## Claims

We know that claims service protects what matters most to our customers, their brand, business and reputation. Through industry expertise and experience across a wide range of products, we are there for our customers when they need us most. We understand that a claim can have implications for a customers' business that extend well beyond the cost of the claim and we are ready to work with customers to minimise the impact of any loss.
